Celebrating Another Year!

Bringing Balance to Life

Dear Friends of 4THE22

We strive to help those around us find balance and purpose through the therapeutic activities of standup paddling, surfing, and exercise. We cultivate community and camaraderie through all of our activities, to help our veterans transition smoothly into civilian life and to allow both veterans and first responders to look beyond their challenges and achieve their full potential.

This Year's Impact:

- We were able to give away a paddleboard to Matthew MacLeod USMC. He was our third recipient of the Board for our heroes program!
- We partnered with the Midwest Paddle League this season and they offered to cover the entry fees for veterans and first responders to compete in their first race.
- 171 people were directly impacted by our organization
 - 132 were veterans, first responders, or immediate family members
- We received \$ 10,215.33 in donations
 - 82 cents of every dollar went directly towards the mission!

You provided our veterans and first responders with more than just a board or some time on the water, you gave them endless possibilities. We are humbled and grateful for donors and supporters like you who propel our organization further. While we celebrate our achievements, we are mindful of the challenges and work we have yet to do.

We would like to thank you for your active support in continuing our mission of *bringing balance to life*.
